Godfrey briefed on a report that the USSR might be going to buy into the Intra Bank of Lebanon.

Kent said that NIE 11-8-66 is going into a clean-up session this morning preparatory to consideration at USIB this week. However, he has ascertained that the military side of the Community will table thirty-three substantive changes. In this case, the Estimate would be delayed. He will report the prognosis later today.

DD/S mentioned an FBI report on probable demonstrations at Brooklyn College tomorrow in connection with the scheduled visit of an Agency recruiter.

Carver said that the Under Secretary of State stayed at Headquarters until almost 1700 yesterday discussing pacification and its reorganization. He definitely favored a civilian czar. Carver called attention to the current cabinet problem in the South Vietnamese government.

ADD/P tabled a status report on station activity in connection with the Presidential trip. He noted that the Secret Service took a
